BIOGRAPHY

Solo music artist 'King Mar' from Pittsburgh, Pennsylvania, masters the sound of his influences from the likes of Wiz Khalifa, Kid Laroi, Kid Cudi and Post Malone. However, his unique production takes listeners on a journey unlike anything else in the industry. Praised for his lyricism and melodic variety, King Mar provides storytelling, creative punchlines, and over-the-head bars for his audience to enjoy. He has featured in a variety of blogs and websites including Roadie Music, Deathordesire, Last Day Deaf, Rag Talent, Music On The Rox and Setlistmx. His first project "King's Collection EP" tallied over 40k streams and subsequently 25k streams on his EP "Crown Me". King Mar's growing social media presence and ever expanding fanbase prepare him to go mainstream. Only time will tell before the world recognizes his undeniable talent.
